OFFICE OF THE DIRECTOR

Mr. Smith
Mr. Proctor

DATE: 7 Nov 1968

TO:

FROM:

SUBJECT: Letter to John Bross from General
Carter Proposing Augmentation of
NIC

REMARKS:

General Carter's letter of 1 November on the strategic warning problem recommends strengthening of the Watch Committee-National Indications Center mechanism. He specifically suggests that the NIC's capabilities "would be significantly enhanced by about four more senior analysts to conduct studies in depth."
